Wreaths Placed On Bodies of
Famous Pair At
Vancouver

ANOTHER LAP TODAY

Joe Crosson To Fly Funeral
Plane To Seattle
Today

By Ralph B. Jordan

VANCOUVER, B. C., Aug. 19.—Canada paid tribute today to the memories of Will Rogers and Wiley Post, as Joe Crosson, famous Alaskan airman climbed into his flying truck for another lap of his Southern trek with the broken bodies of the beloved humorist, and the intrepid adventurer of the skies.

In the name of the city of Vancouver and the Dominion, two large wreaths of flowers were laid on the bodies as they rested in the plane at Vancouver airport.

The flowers were placed in the flying hearse by Vancouver city councilmen, Harry DeGrave and Thomas Wilkinson.

Crosson, a friend of Rogers and Post, will complete his portion of the sad mission of flying the bodies of the famous pair to California, when he pilots his plane to Seattle early today.

Upon his arrival at Seattle he will turn the bodies over to the crew of a Douglas transport.

The time of departure for California was termed "very uncertain" by airways officials. It was thought possibly the bodies may be embalmed at Seattle.

Crosson, choked with emotion when he set the funeral plane down at Vancouver, he was badly in need of sleep following his 1700 mile one-stop flight from Fairbanks. He made the flight in 10 hours, stopping at White Horse, Yukon, at 11.20 a. m., yesterday.

He would not discuss the 1200 mile round-trip from Fairbanks to Point Barrow. "Nothing really happened at all. I can't talk about it. Please don't ask me to," he only shook his head pleadingly when asked about the crash at Pt. Barrow, and what he saw there.

Firemen Participate In Parade at Burlington

Forty-three companies from New Jersey and Pennsylvania were represented in the parade and a large number of women's auxiliaries were in line. The auxiliaries made an exceptionally fine showing.

Judges of the parade were ex-chiefs George Shumard, of Burlington; Theodore Pennock, of Mt. Holly; Thos. Brown, of Florence; Charles Kniss, of Bordentown, and County Fire Marshal William Mith, of Bridgeboro.

UNFOLD A CHAPTER IN EARLY INDIAN HISTORY

Important Find is Uncovered
Along the Youghiogheny
River

TO RESTORE FORTS

By John W. Scotzlin
(I. N. S. Staff Correspondent)
HARRISBURG, Aug. 19—(INS)—A chapter in the early history of the American Indian, dating back almost 2,000 years, is being unfolded in southern Somerset County by state archaeologists who are convinced they have unearthed evidence pointing to the beginning of a period of cultural advancement in the red man's primitive life.

Indications of this important find were uncovered along the Youghiogheny River, three miles from Confluence, with the discovery of what was probably the site of the first fortified Indian village in Pennsylvania, according to Donald A. Cadzow, archaeologist for the State Historical Commission, who is supervising the excavations.

It is planned to restore the fortification in minute detail to its original state as a project under the Works Progress Administration, he said. The excavations were begun last summer but were halted with the approach of wintry weather. Cadzow said he expected the reconstruction would be completed by next summer, contingent upon continued aid from the Federal Government which is expected to maintain it as a historic shrine.

From evidence unearthed several feet below the top soil on the underlying "hard pan," Cadzow said he believes a tribe of about 200 Indians, evidently Iroquois, inhabited this palisaded fort long before the white man ever set foot on this continent.

The tribe, Cadzow explained, was among the first to give up an aimless, wandering life by banding together and settling down into a sedentary existence. Protected from invasion by a high wall enclosing their village, they undertook their first step toward civilization.

Here they made their headquarters for forays, cultivated plot of ground, and fashioned tools and implements both for hunting and warfare. They also learned to construct delicate pottery vessels and ornate them, and became proficient in polishing tools made of stone.

Depicting the construction of the fortification, Cadzow said a circular wall 15 feet high and 500 feet in circumference enclosed the village. The houses were made of poles driven into the ground bent over at the top and covered with strips of bark. A catwalk was hewed out near the top of the wall upon which the villagers clambered to repel an attack.

Remains of eight houses already have been uncovered during excavations over half the enclosure, according to Cadzow. Indications also have been found of what was probably a ceremonial ground about 50 feet from the site of the fortification.

Relics uncovered included pottery vessels, clay pipes, stone hatchets and tools made of bone and antler. About 35 storage pits and many fireplaces were unearthed. The burial ground of the village, expected to yield many other important finds, also has been discovered but Cadzow said it would not be disturbed until the site has been thoroughly explored.

Cadzow said he believed these Indians eventually abandoned the western Pennsylvania woods and went down the Potomac River to the Chesapeake Bay region. Essentially a "fresh water" tribe, the Indians later gave up the salty bay and worked their way up the Susquehanna, settling down in the fertile Lancaster area.

RED CROSS MAY WITHHOLD AID UNLESS ETHIOPIA WILL PLEDGE ADHERENCE TO MERCY TREATY

But Women Are Forming A
Corps of Nurses

How Ethiopian women are preparing for war duty is told in detail for the first time by Edna Lee Booker, former correspondent of International News Service, who recently visited Ethiopia on her way back to this country, in the third of a series of articles.

By Edna Lee Booker
(Copyright, 1935, I. N. S.)

NEW YORK, Aug. 19—(INS)—The honey and cobweb remedy for treating the wounded, handed down by generations of Ethiopian grandmothers, will give way to modern methods carried out by attractive native nurses if Abyssinia and Italy have a war.

The two government hospitals in Addis Ababa are being turned into Red Cross centers.

Hundreds of high class women are volunteering for Red Cross training and asking for lessons in nursing.

During the past few years leaders of the two government hospitals, which are in charge of foreign doctors, and of the imposing stone Ras Tafari Makonnen Memorial Hospital, maintained by the United Presbyterian American Mission, have been trying to educate the masses along modern medical and surgical lines.

Progress has been slow. There is no background for modern medicine in Ethiopia.

Many of the Ethiopians are fatalists. Others brew herbs and spices for fevers. Some go in for prayers and fasting according to the Old Testament teachings. While in remote tribes the good old rabbit's foot and silver amulets are worn and red umbrellas carried to ward off the eye of the Evil One.

But the modern flapper won't let an old belief of grandmother's stand in the way of patriotic duty.

They are going into nurse training. Always militant, hundreds of the wives and women slaves of the soldiers have followed the army in former wars and cared for their wounds as best they could in hastily erected tents or quarters back of the lines.

If the honey and cobweb mixture didn't heal the spear and knife wounds and the patient died—a fatalistic view was taken—it was just too bad.

Although Addis Ababa is cut off from the world, tales of the work of the Red Cross nurses have inspired the women.

They wish to organize. They desire to work under the guidance of the International Red Cross Society, which has its headquarters at Geneva.

The winner of the contest held at Wilkes-Barre has not as yet been announced due to a protest which was filed against the Houston Post Corps, Philadelphia. Houston Post is in Class A and a protest was filed alleging that the corps had non-members playing.

LANGHORNE, Aug. 19—"Doc" MacKenzie, Eddington, won the 50-mile championship event at Langhorne yesterday when he covered the course in 35 minutes, 35 3-5 seconds, after twice being forced into the pits.

By his victory he virtually clinched the 1935 Eastern A. A. championship.

Brown finished second and Reynolds third. Walter Keiper, another Trenton driver, was an easy fourth, with Gus Zarka, also of Trenton, taking fifth.

George Metzler, Philadelphia, went through the inner rail on the southeast turn in one of the time trials, but escaped with a severe shaking up.

Fowler won the first 10-mile dash in 6.32 2-5ths; Bob Sall, Patterson, took the second in 6.46 2-5ths, and Wes Johnson, Lansdale, Pa., the third, in 7.04 1-5ths.

EIGHTEEN CAUGHT IN PARKLAND RAID EARLY YESTERDAY

Twelve Men and Six Women
Taken Into Custody
and Fined

SOME PARTLY NUDE

Men Were Carrying Women
Around On Their
Shoulders

PARKLAND, Aug. 19—Eighteen Philadelphians—12 men and six women—were caught in a raid here early yesterday morning when officers swooped down on a bungalow and took the occupants into custody. All 18 were given a hearing before Justice of Peace Daniel Krouse at Langhorne. Each was fined \$5 and costs and all paid their fines some time during the day and were released.

Attention to the bungalow was attracted at about 3 a. m., when the noise made by the Philadelphians could be heard two blocks away. The Law and Order Committee of Parkland had a warrant issued in which the charge of a disorderly house was made.

Constable Samuel Linnington and Constable Orville Morris were summoned to serve the warrant and when they visited the bungalow found a big celebration being held and the crowd engaged in having a riotous time.

According to the authorities some of the men and women were nearly nude and women were being carried around on the shoulders of the men, and various games were in progress.

After the officers had arrested the 18, the school bus had to be summoned to haul the prisoners to Langhorne where they were placed under lock and key in the Langhorne jail.

At six o'clock yesterday morning the men and women were taken for a hearing before Justice of Peace Krouse, and each was charged with disorderly conduct. There was not enough money in the crowd to pay all of the fines, so those who did pay, left for Philadelphia and returned later with the fines for the others.

Red Cross May Withhold Its Aid To Ethiopia

Continued from Page One

of war, wished to function under the Red Cross, she would have to live up to the treaties pertaining to war relief agreed upon by the nations belonging to the International Red Cross group.

In Ethiopia the old Mosaic doctrine of "an eye for an eye and a tooth for a tooth" is still the vogue. The village elders enforce it.

It will take a great deal of educating before the Ethiopians will have the faintest idea of what the Red Cross, with its high ideals, is all about.

Red Cross methods of treatment for prisoners of war; Red Cross standards for care of enemy wounded found on the battle field; Red Cross objections to selling war prisoners into slavery or of mutilating them will have to be realized by the natives before the Red Cross can operate in Ethiopia.

But, regardless, Ethiopian women will travel with their men as they go

to battle, sharing their hardships and dangers as in the past.

What life for foreigners is like in Ethiopia is told by Miss Booker in tomorrow's story.

BOWLING ASSOCIATION TO PREPARE FOR OPENING

The Bristol Bowling Association will hold its first meeting of the season tomorrow evening at eight o'clock, at the Bristol Recreation Center, to prepare for 1935-36 bowling leagues, which will begin activities September 16th.

The Recreation Center will re-open on or about Labor Day. President Fred Stewart is anxious to have all of last year's teams represented, which include the Bristol, American and National Leagues, in order that the various business matters on hand can be transacted, and if any vacancies are going to exist, replacements can be discussed in time to complete the schedule before the season starts.

This season will mark the tenth anniversary of the Bristol Bowling Association's activities and the tenth consecutive year of the Bristol League which in 1926 organized and competed per schedule an eight team league, playing at Curtis Alleys in Trenton. In 1927, the Bristol Recreation Center, through the efforts of the members of the Association, was started in Harrison, and eight successful seasons have been completed there. Last year Mr. O'Boyle purchased the establishment, completely renovated it and added skating facilities, which has been considerably attended and enjoyed.

This year the Association plans on celebrating its tenth anniversary in a fitting manner and the members are requested to give their full co-operation in making it a complete success by organizing early and have the leagues in full swing by September 16th, and allow the Association plenty of time to select a committee to arrange for the anniversary event.

Organizations desiring to enter teams in any of the leagues are invited to send a representative to this meeting or any individuals who desire to register for vacancies on a team are also invited.

BRISTOL TENNIS COUPLE LOSE TO TRENTON PAIR

TRENTON, N. J., Aug. 19—Nelson Green and Herb Lawrence, Bristol, were defeated yesterday in the fight for the city men's doubles tennis championship when they lost to their rivals, Abbie Rednor and Leon (Red) Levy, who held the title in 1933.

Yesterday, Rednor and Levy defeated Green and Lawrence in straight sets in the final at Cadwalader Park, 7-5, 6-3, 6-2. On Saturday, they eliminated the defending champions, Norman Swayne, of Newtown and Frank Blank, of Langhorne.

Rednor, former Yale player, and Levy, ex Penn, rallied strongly to come from behind and win the first set after trailing at 5-3 by taking the last four games in a row. From then on, they didn't have much trouble, although they were tied as far as 3-3 in the second set. They swept the last three games to win that set at 6-3.

The third set was marred by numerous errors by Green, who recently won the city single championship, and Lawrence, whom he defeated to win that title. Both were obviously pressing in an attempt to catch up, but their efforts only forced them into telling errors which shortly cost them the match.

Good as Lawrence and Green were, they were no match for Rednor and Levy, who appeared to have reached the peak of their game just in time for the final. The champs were not all impressive in putting out Swayne and Blank, but yesterday they really looked the part of kings of their division.

EDGELY BRAVES DROP TWO GAMES TO RIVALS

Despite the longest drive of the season by "Sam" Brooks, the Edgely Braves closed the schedule of the second half of the Delaware River League by dropping both games of the week-end. Saturday, the Hibernians bowed to their rivals, the Lambertville team, and yesterday Hulseville A. A. took over the Braves. Final scores were 7-5 and 8-6, respectively.

LANDRETH SEED-PACKERS TIE ONE AND LOSE ONE

Failing to shake the jinx that has followed them in the last four games, the Landreth Seed-Packers lost and tied a game over the week-end. Yesterday at Mount Holly, the Landrethmen bowed to the Relief A. A. club, 2-1, and Saturday on Leedom's field, the locals played a 5-5 deadlock with the Feltonville Aces before a large crowd.

A single by "Joie" Heftman brought the tie score to the Seed-Growers. Heftman's single came in the last half of the eighth after Gotwald had singled and was advanced to second on a sacrifice by Bruce. The Feltonville club has gained the edge in the first half of the eighth on an error by Rockhill and singles by Ralph and Ticker.

Yesterday's fray at Mt. Holly was a heart-breaker for "Eddie" Sullivan, a heart-breaker for the Jersey club but three hits, two costly bad decisions by the umpires gave the Jerseyites both their tallies. The Bristol team made four hits and scored their lone run when Barrett singled, Dougherty sacrificed, and Purcell singled.

Sullivan did not allow a hit until the Mt. Holly short-stop connected for his safe hit. The Bristolians passed up opportunity in the last inning when Rockhill opened with a double but was out trying to stretch the blow.

DOLINGTON, Aug. 19—Jack McGary's Dolington Cornhuskers jumped into first place in the Delaware River League yesterday afternoon by beating the Top Rock Club of Lambertville, 6-2. The Huskers were beaten by Washington Crossing, 3-1, Saturday.

The Dolts with "Chet" Snow doing the hitting were masters of the contest from the start. Snow allowed the Lambies but six hits and only in the ninth could the Jersey club bunch them to tally. "Charlie" Miller, center-fielder for the Huskers, hit a home run in the fourth with Snow on base. H.H. Johnson and Colligan had two hits each to lead the batters.

ST. ANN'S NINE VACATES TWILIGHT LEAGUE CELLAR

St. Ann's A. A. vacated the cellar of the Bristol Twilight League by scoring an 11-9 victory over the first-half champions, the Cubans, on Leedom's field. The defeat sent the colored boys in the last position.

Five runs in the seventh did the trick for the Saints and caused the Cubans to quit the fray. Umpire Roe forfeited the contest to the Wood St. boys but as they were in the lead at the time the score was not reverted back to the sixth inning.

Tony Angelo led St. Ann's boys with the stick, getting a triple and two singles in four trips to the plate. Lenny Darrah stepped up to the plate four times for the first half pennant-grabbers and delivered four safe blows to the outfield. The winners outthrew the losers, 13-8.

MORRISVILLE, Aug. 19—The Morrisville Hoopers' winning streak continued yesterday afternoon as "Pug" Lukens' boys chalked up their fifth straight win of the second half of the Delaware River League. The Wash-

ington Crossing team was the losing aggregation with the final count being 8-1.

"Iron Man Ike" Lindsley did the twirling for the winners, and although socked for nine hits scattered them to blank the Crossing team in eight of the nine innings. The Quails used Grove Hildebrand on the mound and he was hit rather freely in the late stages of the fray.

MEETING AND SOCIAL

The Daughters of America, Council 58, held a meeting Friday evening in P. P. A. Hall. After the meeting the members enjoyed a social time and played the game of "radio." Prizes were awarded and refreshments served. About 39 were present.

Benevento, Italy, Aug. 19—Laughing at Premier Benito Mussolini's frustration of the Paris peace talk, and roaring "Abyssinia is ours," some 20,000 troops were on the way to the front today stirred by Il Duce's personal admonition to "crush all obstacles."

One Killed, Six Hurt In Week-End Crashes

Continued from Page One
John Hilton injured his right ankle and Stanley had lacerations of the arm, legs and body. Both were treated at the Harriman Hospital.

Patrolman Diem, South Langhorne, investigated.

Miss Mary Neely, 28, Chancery Lane, Trenton, N. J., is in Mercer Hospital suffering from abrasions and contusions of the head and a possible skull fracture. She told hospital authorities that she had jumped from an automobile near Yardley. Her condition early today was reported to be fair.

William Craft, of Yardley, alleged driver of the car, brought the woman to the hospital. On the way here Craft asked Patrolman Papernick directions to reach the hospital. The officer accompanied him and later took him into custody. Craft was taken to police headquarters to be turned over to the Oxford Valley Highway Patrol for questioning.

Harry Hyman, 22, and his wife, Doris, 19, of Washington, D. C., suffered injuries early yesterday morning when their car crashed into a guard rail on the Lincoln Highway near Langhorne and turned over in a ditch. Both were treated for cuts and bruises by the Bucks County Rescue Squad at Parkland. Corporal Evans investigated.

Miss Clarice Downs, 28, Philadelphia, suffered lacerations of the scalp and face early yesterday morning when a car in which she was a passenger with Herman Smith, 48, Philadelphia, crashed into another car near South Langhorne. Mrs. Bertha Wydeman, 34, of the Byberry Hospital, Philadelphia, driver of the other machine, escaped injury, along with Smith. Smith was placed under arrest by Corporal Evans, of the Highway Patrol, on a reckless driving charge, and fined \$12 by Justice of the Peace Joseph Keating.

Jackson Dunlap, 25, South Langhorne, was arrested early yesterday morning on a drunken driving charge after his automobile had figured in a collision with a car operated by Edward F. Mills, 44, Lincoln avenue, Newtown. The crash occurred on Bellevue avenue, South Langhorne.

Corporal Evans, of the Oxford Valley Highway Patrol, had Dunlap arraigned before Justice of the Peace Joseph Keating after he had been examined by Dr. J. Fred Wagner, of Bristol. The defendant was held in \$500 bail for grand jury action.
